When Every Dollar Counts, Do Something That Really Matters!

After The Storm, Inc. is a non-profit foundation whose mission is to assist cancer survivors in the aftermath of their diagnosis and treatments by helping restore balance to their lives. The foundation has several fundraising events scheduled this year, and profits will help support the Integrative Medicine/Therapy programs at several local hospitals. In past years this has included the Center for Survivorship and Integrative Medicine at Middlesex Health, Hartford Health Care, Griffin Hospital, Bristol Hospital, and the ECHO Foundation. The services offered at these hospitals may include but are not limited to yoga, reiki, massage, reflexology, acupuncture, nutrition workshops, and survivorship activities. To honor the foundation's creator and inspiration, part of the profits will be dedicated to the unique needs of breast cancer survivors. Since 2009, After the Storm, Inc. has been able to donate over \$825,000 in support of its mission.

At this time we are inviting you to participate in our fundraising efforts by donating an item for raffle or auction. Our largest fundraising event is Art Bra, and as part of this event we offer several raffles and silent auctions. All donations are tax deductible and directly benefit the mission of the foundation, a receipt will be sent for all donations received. All donations over \$150 will be acknowledged on our website and in print material.

Please complete and return the enclosed Donation Form with your donation to:
